

REPORT TO THE LEGISLATURE
Pursuant to P.A. 154 of 2005
Section 405(4)
Parolees Returned to Prison and Probationers Sentenced to Prison
for either Technical Violations or New Sentences
August 1, 2006 — August 31, 2006

Section 405(4) of 2005 P.A. 154 requires that the Department of Corrections provide a monthly report on the number of all parolees returned to prison and probationers sentenced to prison for either technical violations or new sentences, broken down by probationers, parolees after their first parole, and parolees who have been paroled more than once, including detailed information regarding:

- (a) *The number of offenders returned for a new crime with a comparison of original versus new offenses by major offense type: assaultive, nonassaultive, drug, and sex.*

Not applicable for probationers sentenced to prison since they are not returning to prison. See **TABLE A** for parole violators with new sentences (PVNS) returned to prison.

- (b) *The number of offenders for a technical violation and the type of violation, including, but not limited to, zero gun tolerance and substance abuse violations.*

For probationers sentenced to prison, charges for technical violations are not recorded in our data system (although planned as a future enhancement). See **TABLE B** for all charges for parole technical violators returned to prison.

- (c) *The educational history of those offenders, including how many had a G.E.D. or high school diploma prior to incarceration in prison, how many received a G.E.D. while in prison, and how many received a vocational certificate while in prison.*

For probationers sentenced to prison see **TABLE C1**. See **TABLE C2** and **TABLE C3** for parolees returned to prison.

- (d) *The number of offenders who participated in the MPRI versus the number of those who did not.*

Not applicable for probationers sentenced to prison since the Michigan Prisoner ReEntry Initiative (MPRI) participants are prisoners returning to the community to either parole or discharge on the maximum sentence. See **TABLE D** for parolees returned to prison.

SUMMARY TABLE

A. Probationers Committed to Prison by Commitment Type

August 1, 2006 - August 31, 2006

Commitment Type	N
Probation Violator Technical	186
Probation Violator New Sentence	130
Total	316

B. Parole Violators Returned to Prison by Return Type

August 1, 2006 - August 31, 2006

Return Type	First Parole	Reparoles	Total
